TOP-DOWN OF
DUAL-COMPARTMENT
SPRING LIFTS

Streamline your linen management with a dual-compartment design.

- Add optional spring lift platforms to keep contents at an ergonomic height.
- Low tension spring lifts extend fully at approximately 68 lbs. Sold separately.
- Durably built with a steel wire frame and a permanently attached vinyl or canvas liner.
- Built-in corner protection safeguards walls from damage.
- Vinyl is antimicrobial, UV, mold, mildew, tear resistant and flame retardant.
- Features two black HDPE spring-loaded lids with a soft-close design to discreetly conceal contents.
- Carts maneuver easily on 4" nonmarking polyurethane casters mounted to a hardwood base.

4 Swivel Casters
(Most common pattern & best maneuverability)

PATTERN C
Corner Mount
2 Rigid/2 Swivel Casters
(Ideal for long, straight runs)

PATTERN D
Diamond Mount (Tilt)
2 Rigid/2 Swivel Casters
(Traditional postal cart design)

PATTERN E
Full Mount
2 Rigid/4 Swivel Casters
(Where added strength is needed)

PATTERN N
No Casters

ABOUT US

Tom Carney, CEO

property management, retail, and warehousing.

Proudly based in Darien, Wisconsin, Royal is built on a foundation of innovation, hard work, creativity, and a strong commitment to quality and service. Under the leadership of CEO **Tom Carney**, the company

Royal Basket Trucks, Inc. is a leading manufacturer of carts, trucks, and containers used in facilities across the United States. The Royal brand is recognized in industries including material handling, hospitality, healthcare, commercial laundry, education, recycling, athletics,

continues to strengthen its legacy while focusing on operational excellence and practical innovation that support customers across every market served.

Founded in 1982, Royal began by manufacturing material handling carts using vinyl and canvas. Today, the product offering has expanded to include solutions made from molded plastics, steel, PVC, and wire. Through a highly efficient lean manufacturing process, Royal builds world-class products to order and delivers them with short lead times.

This build-to-order approach allows for a minimum order quantity of one while providing flexibility in dimensions, caster options, and color. Royal also engineers fully customized cart solutions, ensuring every customer has the right product for their specific environment and application.

RETURN POLICY: Returns are available thirty (30) days from date of shipment. Prior approval is required. A 25% restocking fee will be charged. Returned goods will not be accepted without a Returned Goods Authorization (RGA) number issued by Royal Customer Service. Freight must be prepaid by the shipper on all returns. Returns must be properly packaged to avoid damage. A service charge will be added, if necessary, to perform work to make the items sellable. Non-returnable items include any 3 or 4 bushel basket trucks, spring lifts, accessories, large orders, custom orders or products assembled by customer.

DAMAGED SHIPMENTS: All shipments should be inspected for damage upon arrival. Any damage should be noted on the freight bill and a claim must be properly filed directly with the carrier by the payer.

NOTICE REGARDING COLOR AND MATERIAL: Colors shown are as accurate as printing allows, some variations may exist. Canvas weight adds 1-3 lbs. + per cart.

WARRANTY: All products are warranted against defects in materials and workmanship for ninety (90) days from delivery. Defective products will be replaced (F.O.B. Darien, WI) if returned during warranty period. No returns are allowed without a Return Authorization Form.

201 Badger Parkway
Darien, WI 53114

Leading manufacturer of transport
carts, trucks and containers. Made in
the USA with global components.
